Session: **2026/2027 First Semester Group Assignment**
Duration: **n/a**

Instructions: **See Below**

In this assignment, you will work in teams to act as marketing consultants. Your objective is to select an existing company (or a realistic new venture) and **develop a comprehensive, data-driven Marketing Plan** for an existing product or service, or a new product, a new service, or a strategic expansion into a new target market.

This project allows you to apply core marketing theories such uch as market research, segmentation, targeting, positioning, and the marketing mix, the 4Ps to a real-world or realistic scenario.

Your team will deliver both a written marketing plan and a professional pitch presentation.

- **Group Size:** 6-7 students per group
- **Total Weight:** 15% of the final course grade (10% Written Plan to be submitted on the day of presentation, and 5% PowerPoint Presentation in February 2027)
- **The written marketing plan should be a minimum of 15 pages (Times New Roman, font 12, 1.5 line spacing) and be accompanied by evidence of the data from the marketing research conducted such as data sheets and data collection documents**
